---

The Court orders that the motion for immediate consideration is GRANTED.

The motion for review of release decision under MCR 6.106(H) is DISMISSED for lack of jurisdiction. MCR 6.106 does not apply in this case where defendant was denied release on her own recognizance following sentencing. At present defendant has no appeal pending before this Court. Defendant has cited no rule or law which would otherwise permit review of the circuit court's order denying a stay of sentence where there is no appeal pending. Accordingly, this Court lacks jurisdiction over the matter. MCR 7.209(D).
